MobileRing

MobileRing is a new WTT’s direct exchange line (DEL) feature that allows users to call forward their mobile to a “MobileRing” number that is attached to the subscriber’s DEL as a secondary number. When someone calls the subscriber’s mobile, he or she will be able to tell which are the incoming mobile calls from the different ring tone with our DEL service.

Charge: HK\$28.00 per month

Super HomeLine Service

Super HomeLine service provides HomeLine service with more than one value-added services (“VAS”). The charges, terms and conditions are the same as for HomeLine service and the relevant VAS.

The HomeLine Service will not be offered to the Customer under the Unified Carrier Licence from 28 August 2010 onwards.

M2. Residential IDD Call Plans

Effective date: 16/12/96, Revision date: 1/1/99

The following call plans are available to residential Customers of HomeLine service. A Customer can only subscribe for one call plan at any point in time.

Personal Contact Call Plan

This Call Plan allows the Customer to nominate up to 5 international numbers per registered HomeLine account. This Call Plan offers a discount of 5% on call charges incurred on IDD007 for calls made to these nominated numbers. Customer will be given speed dial memories to facilitate his/her calling to these numbers. These nominated numbers cannot be any telephone numbers to China, Macau and Inmarsat. This Call Plan only applies to IDD007 call charges.

Most Called Country Call Plan

This Call Plan offers a discount of 5% to Customer's IDD007 call charges of the most frequently called country in a bill cycle. The discount under this Call Plan will not apply to charges for calls made to China, Macau and Inmarsat. This Call Plan only applies to IDD007 call charges.
