1.2. [To start ManagedBiz](#)

- Click "ManagedBiz" to start.

The screenshot shows the NWT IT22 portal interface. At the top left is the Hong Kong Broadband Network logo and the text "企業方案 Enterprise Solutions". At the top right is a "登出" (Logout) button. On the left side, there is a menu with the following items: "查閱賬單及網上繳費", "更改[我的戶口]登入資料或密碼", "更改賬戶資料", "下載區", and "ManagedBiz". Below the menu is an email contact section with the email address "cscorp@hkbnes.net". In the center, there is a greeting "NWT IT22, 您好!" followed by a welcome message in Chinese. Below the message are four service icons: "查閱賬單及網上繳費", "更改eCS登入資料或密碼", "更改賬戶資料", and "下載區". At the bottom center, there is a "ManagedBiz" button. A yellow callout box with the text "Click 'ManagedBiz' to start." points to this button.

5.4. To monitor the Packet Loss Rate

- Click "**Line Details**" under **MPLS-IP-VPN / International IP-VPN**.
- Click on the tab "**Packet Loss Monitoring**".
- Select your account number and click the "**Submit**" button.
- Click on the service number to view the Packet Loss report.
- Select report period and click the "**Submit**" button.

The screenshot displays the Hong Kong Broadband Network Enterprise Solutions portal. The top navigation bar includes a "Back" button, a "Help" button, and a "Logout" button. The left sidebar lists various services, with "MPLS-IP-VPN / International IP-VPN" selected and expanded to show "Line Details". The main content area features four tabs: "Line Traffic Report", "Packet Loss Monitoring" (which is active and highlighted with a yellow callout), "Service Availability / Latency", and "Network Traffic Analysis". Below the "Packet Loss Monitoring" tab, there is a heading "Packet Loss Monitoring" and a prompt: "Please select your Customer Account Number and click 'Submit'". A form field for "Customer Account Number:" is present, followed by a "Submit" button. Three yellow callout boxes provide instructions: 1. Click on the tab "Packet Loss Monitoring". 2. Select your account number. 3. Click "Submit".

5.5. To view Service Availability and Latency

- Click "**Line Details**" under **MPLS-IP-VPN / INTERNATIONAL IP-VPN**.
- Click on the tab "**Service Availability & Latency**".
- Select your account number and the desired calendar month.
- Click the "**Submit**" button.

The screenshot displays the Hong Kong Broadband Network Enterprise Solutions portal. The top navigation bar includes a 'Back' button, a 'Help' button, and a 'Logout' button. The left sidebar contains a menu with the following items: IDD 009, Dedicated Internet Access (DIA), Data Centre, Cloud Computing Services / Infinite Server, **MPLS-IP-VPN / International IP-VPN** (highlighted), Line Details, Manage Your Short Code, Metro Ethernet / MetroNet, IEPL, Share Zone, and General Account. The main content area features four tabs: Line Traffic Report, Packet Loss Monitoring, **Service Availability / Latency** (selected), and Network Traffic Analysis. Below the selected tab, the heading 'Service Availability & Latency' is followed by the instruction 'Please select your Customer Account Number and click "Submit"'. The form contains two dropdown menus: 'Customer Account Number:' and 'Calendar Month:' (set to 'Jul-16'). A 'Submit >' button is located at the bottom of the form. Three yellow callout boxes provide instructions: 1. Click on the tab "Service Availability & Latency". 2. Select your account number and the calendar month. 3. Click "Submit".

9.3. [To use vCloud Director](#)

- Click “vCloud Director” under **Cloud Computing Services / Infinite Server**
- Click on the Customer name hyperlink
- vCloud Director portal shown in pop-up window

The screenshot displays the HKBN Enterprise Solutions portal. At the top, there is a header with the HKBN logo and 'Enterprise Solutions'. Below this is a navigation bar with 'Back', 'Help', and 'Logout' buttons. On the left, a sidebar menu lists various services, with 'Cloud Computing Services / Infinite Server' expanded to show 'vCloud Director'. The main content area shows the 'vCloud Director' section with a message: 'Please click the below link to access vCloud Director.' and a link labeled 'vCD'. A yellow callout box points to the 'vCD' link with the text 'Click the customer name hyperlink'. Below this, the vCloud Director login page is shown, featuring the VMware logo, a login form with fields for 'User name:' and 'Password:', and a 'Login' button. The text 'HKBN Enterprise Solutions Limited' is displayed on the right side of the login page.

For more details, please refer to the “vCloud Director” user guide. You may download the user guide at hkbnes.net/en/support (Others >> Cloud Enterprise Solution)

10.3. To download your Billed Call Records (for Administrator Account only)

- Click "**Manage Your Billed Call Record**" under **General Account**.
- Click the  icon to start download.

The screenshot shows the Hong Kong Broadband Network Enterprise Solutions portal. The top navigation bar includes a "Back" button, a "Help" button, and a "Logout" button. The left sidebar contains a menu with the following items: IDD 009, Dedicated Internet Access (DIA), Data Centre, Cloud Computing Services / Infinite Server, MPLS-IP-VPN / International IP-VPN, Metro Ethernet / MetroNet, SMS Broadcast, Share Zone, General Account (highlighted), Change Your Password, Service Summary, Manage Your Billed Call Record, Set Up User Access, and MyAccount. The main content area is titled "Billed Call Records Download" and includes a user icon. Below the title, a message states: "You may download your Billed Call Records. Most recent five Billed Call Records are listed below and you may open them with Notepad or Microsoft Excel." A table with two columns, "Billed Call Record Date" and "File", displays a single record for the date "2007-06-06". The "File" column contains a download icon. A yellow callout box points to this icon with the text: "Click the  icon to download."

Billed Call Record Date	File
2007-06-06	

Remark: Only Soft-Bill customer can download the billed call records.

11.1. To access Share Zone under your account

- Click **Share Zone** to open share zone category listing.

The screenshot displays the user interface of the Hong Kong Broadband Network Enterprise Solutions portal. At the top left, the logo for HONG KONG BROADBAND NETWORK is visible, along with the text '企業方案 Enterprise Solutions'. The top navigation bar includes a '< Back' button, a 'Help' button, and a 'Logout' button. On the left side, a vertical menu lists various services: IDD 009, Dedicated Internet Access (DIA), Data Centre, Cloud Computing Services / Infinite Server, MPLS-IP-VPN / International IP-VPN, Metro Ethernet / MetroNet, SMS Broadcast, **Share Zone** (highlighted with a blue bar and a small 'v' icon), General Account, and MyAccount. Below this menu, there is an 'Email' section with the address 'cscorp@hkbnes.net'. The main content area on the right shows the 'Share Zone' category listing, with 'IDD 009' displayed in a blue bar and a checkmark icon. A yellow callout box on the right side of the main content area contains the text 'Share Zone Category is shown.'

11.2. [To download material in Share Zone](#)

- Click the service item (e.g.: IDD 009), to open the detail
- Click the link to download the selected document.

The screenshot displays the Hong Kong Broadband Network (HKBNS) Enterprise Solutions portal. The top navigation bar includes the HKBNS logo, the text '企業方案 Enterprise Solutions', and buttons for '< Back', 'Help', and 'Logout'. On the left, a sidebar menu lists various services: IDD 009, Dedicated Internet Access (DIA), Data Centre, Cloud Computing Services / Infinite Server, MPLS-IP-VPN / International IP-VPN, Metro Ethernet / MetroNet, SMS Broadcast, **Share Zone** (highlighted), General Account, and MyAccount. Below the menu is an 'Email' section with the address 'cscorp@hkbns.net'. The main content area is titled 'Share Zone' and shows a sub-header 'IDD 009'. Underneath, there is a list with 'Others' and a link 'User FAQ'. Two yellow callout boxes are present: one stating 'Share Zone Category detail is shown.' and another stating 'Click the grey link to download.'
